Welcome to the Center for Faculty Excellence!

Our mission is to advance instructional excellence, facilitate professional success, and foster faculty leadership through a collaborative approach, supporting the goals of UNO as a premier university.

As part of that mission, we provide training opportunities that foster ongoing faculty development, offer teaching evaluation as an avenue to classroom enhancement, assist faculty (through grants) to fund pedagogical improvement, create venues for faculty interactions, and share resources to augment teaching repertoires.

We hope you will explore our website to learn more about how we can help you achieve your goals as a faculty member at UNO! Don't forget to check out our latest [newsletter](#) and the [Faculty Bulletin Board](#)!
